Excursions of your cruise

Day 2 - Sunday Alanya / Side (1/2 day - morning) *	Inhabited since the 7th century BC and a former pirate stronghold, Side was the largest port in Pamphylia. Ruined in the 10th century AD by Arab raids, it was reoccupied first by farmers in the 20th century, and then by tourist operators. Discover the charm of this ancient town and its impressive seafront theatre. You will return via Alanya, visiting the highest point of the city's ramparts for a superb panoramic view.
Day 3 - Monday Paphos / Kourion and Omodos (1/2 day, afternoon) *	Escape to the Cypriot countryside and discover the picturesque village of Omodos. Wander along its narrow streets, browse the shops full of local produce and visit the Timios Stavros monastery, the oldest on the island. Then explore the extraordinary archaeological site at Kourion, with its amphitheatre, temples, thermal baths, columns, mosaics and other reminders of the former city state.
Day 3 - Monday Paphos / The royal Paphos (1/2 day) *	Discover Paphos, one of the most attractive parts of the island. The capital during the Hellenistic and Roman periods, Paphos is now a small port and popular seaside resort. Visit the necropolis to see the tombs of the kings, dating from the 3rd century BCE. Your trip will end with a visit to the House of Dionysus. Its mosaics depict scenes from Greek mythology, and are among the best preserved in the region.
Day 5 - Wednesday Kos / Asklepieion (1/2 day, morning) *	On the slopes of the hill that dominates the Kos plain, this important sanctuary was consecrated to Asclepius, the healing God and son of Apollo. Built towards the end of the 4th century BC, it was a famous religious and medical centre, as was Epidaurus more generally. After your visit, travel to the traditional village of Zia on Mount Dikaïos, and take in the panoramic view of the entire island.
Day 6 - Thursday Rhodes / Filerimos and city tour (1/2 day, afternoon) *	Discover the stunning landscapes at the northern end of the island, travelling to Mount Filerimos to visit Ancient Ialysos, founded by knights. Then return to visit the medieval city of Rhodes on foot, taking the Street of the Knights, one of the most interesting sights in Rhodes. This cobbled road is lined with gothic "inns" from the 15th and 16th centuries, in which the knights lived with others who shared their "tongue" or language. Afterwards, visit the Grand Master's Palace, built in the 14th century. Return to the boat on foot at your leisure.
Day 6 - Thursday Rhodes / The Splendour of Rhodes (1 day) *	Discover the Island of Roses, and two of its gems: Rhodes and Lindos! A panoramic tour will take you up to Mount Smith, with the remains of an ancient acropolis and a superb view over the sea and the old town. You'll then travel along the eastern coast of the island to the charming village of Lindos, where you'll visit the acropolis, an ancient fortress of the Knights of St John from which there is a stunning view. You'll be charmed by the little white streets and craft shops, and after lunch you'll walk round the Mediaeval city. You'll walk through the famous cobbled Street of the Knights, lined with 15th and 16th century Gothic "inns". You'll visit the 14th century Palace of the Grand Masters of the Knights of Rhodes, after which you'll have free time to visit the town centre before going back to the ship.
Day 6 - Thursday Rhodes / The butterfly valley and Kamiros (1/2 day, morning) *	This panoramic coach tour takes in the new city of Rhodes, Mandraki port and the Agios Stefanos hill, offering a beautiful view over the city. Then you'll follow the coast to the ancient city of Kamiros, built on the side of a hill in the time of the Ancient Greeks. Next, the coast road will take you to the Valley of the Butterflies. This gorgeous forested valley has a calm, cool microclimate. Euplagia quadripunctaria butterflies live in the fresh air of the valley from May to September.
Day 7 - Friday Kekova / Kalekoy (half day) *	Take a gulet to the picturesque village of Kalekoy, built on the acropolis of the ancient city of Simena. From the top of its medieval castle, take in the magnificent view of the entire bay. A Lycian tomb sits solitary in the middle of the water, an emblematic image of this most charming part of the bay.
Day 7 - Friday Kekova / Myra (half day, morning) *	Myra was one of the most powerful cities in the Lycian League. Discover monuments with rich and varied histories: large cave tombs, the most beautiful troglodyte burial sites in Lycia, the Roman theatre and the Church of St Nicolas, patron saint of children and bishop of Myra in the 4th century.
